

Help Your Alumni Build Successful Careers!

We've developed a career speaker series featuring the nation's top career authors that will effortlessly deliver career programming to your alumni anywhere in the world, at any time.

Our **CareerWebinars for Alumni** program includes:

1. 9 Live & recorded **career webinars** featuring top authors
2. Library of recorded webinars from previous year
3. Customized and **branded** career portal
4. **Polls** to gather alumni feedback
5. **Dashboard** provides analytics, participation, and reports
6. **Marketing materials** to include in current marketing channels
7. Opt in, branded, webinar **reminder service** for alumni
8. Comprehensive **customer service** support
9. **Discussion boards** to keep conversation going
10. Career **news** and resources

CareerWebinars for Alumni

For one low monthly fee, you can have an unlimited number of your alumni and grads participate. We book the top authors, host the events, record them, and update your customized career portal. *Its turnkey!*

Contact us today to learn how you can use this program to increase engagement and contributions!
